EXPERIENCE

Private Tutor, Cypress

March 2025 - Present

Self-Employed Tutor

- Effectively time-managed my Full Stack Certification classes, my responsibilities at the Tutoring Club, and started my own private tutoring business
- Privately tutored three students individually
- Developed custom learning plans for each student that catered to their personal education needs to ensure maximized growth
- Established positive and consistent communication with parents regarding their students' progress
- Implemented creative methods of tracking and measuring students' growth

Tutoring Club, Cypress Tutor

January 2024 - Present

- Managed and led tutoring groups of up to eight students at once for ages K-12
- Collaborated with co-tutors to discuss tutoring materials and student progress
- Entrusted by the owners with a key to the business for opening and closing responsibilities
- Kept detailed documentation for each student to track their work and effectively measure their progress

Academy Sports & Outdoors, Cypress Cashier

January 2023 - May 2023

- Rapidly learned and mastered outdated computer systems in a fast-paced environment to process sales and returns
- Ensured a quality customer experience through a positive attitude and quick problem-solving
- Effectively managed 50+ transactions a day
